# How To Use This Guide

## Cómo Utilizar Esta Guía

### Find your route

The system map inside the front cover shows how the local transit system fits together.

The regional map at the end of the guide shows Petaluma Transit, Golden Gate Transit & Sonoma County Transit's routes.

### Find your page

The route colors on the map match the colors on the route pages.

An index at the bottom of the map will help you find the page for more information about any route.

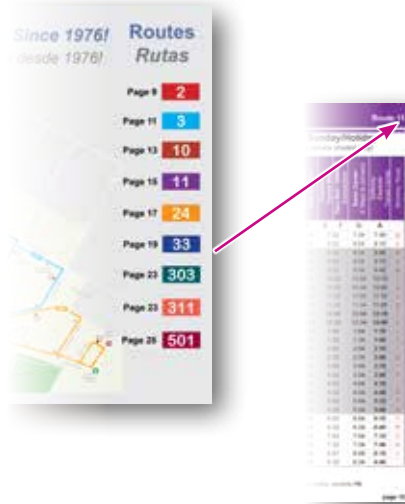

### Find your stop & time

Each route page has a map with details about the route including bus stop locations.

The stop letters such as **B** show points on the map that have corresponding times in the schedules. Your bus stop may be between these points.

### Reading a schedule

- 1 Find the proper schedule for the day of week and direction of travel.
- 2 Find the locations nearest your starting point and destination.
- 3 Read down the columns to see times the buses serve those locations.
- 4 Read across to the right to see when a bus trip will reach your destination. Each row across represents one bus trip.

As of July 1, 2024, Petaluma Transit has eliminated fare collection on all Petaluma Transit fixed-route bus service and paratransit services. This one-year pilot program aims to increase ridership, promote Petaluma Transit's network of services, alleviate the financial burden of low-income riders, improve access, and meet the rigorous climate goals set forth by the City.

### Key Highlights of the Fare-Free Program:

**Fare-Free Travel:** Starting July 1, all Petaluma Transit services will be completely fare-free. No tickets, no passes, no cash – just show up and ride.

**No Application Needed:** Whether you're a daily commuter or an occasional rider, you can now board any Petaluma Transit bus without a fare. Say goodbye to the hassle of carrying cash or exact change. Enjoy a seamless, hassle-free travel experience.

**Paratransit Services:** Paratransit passengers have historically not benefited from common fare-free programs. This groundbreaking initiative allows paratransit riders to use both fixed-route bus services and paratransit services for free, expanding access to those with fixed or limited incomes.
